I wish to assign my 2008/2009 winter storage area rights to the rental pool.

I have read and agree to the Rules & Regulations pertaining to the manner in which the Club will determine my share of the rental pool.

I understand the Club will retain an amount equal to any outstanding obligation I may have to the Club at the time my share of the proceeds is distributed.

In accordance with my Membership Agreement, I understand that I may not lease, sublease or otherwise permit any other party to avail themselves of my winter storage area rights without the express prior written consent of the Club.
