Member Parking Pass Registration Form**

Date: _____

Member Name/Slip #: _____

I will be occupying the above referenced slip this season, and understand that I am entitled to one (and only one) Parking Pass. However, I want the option of parking any one of the vehicles listed below in the Members Only Parking area.

I understand that I am not to loan or give my Parking Pass to another member, or to a renter, guest, or vendor, and that if my Parking Pass is displayed in any vehicle other than a vehicle I've listed below, the vehicle may be towed at my expense, and that I will be subject to a \$50.00 fine.
