

**Newburyport Yacht Club Security System**

**Swipe Card/Key Fob Order Form**

Access to the Marina, the pool area, and the bathrooms requires either a Swipe Card or Key Fob. The Card/Fob is programmed with a unique “identity code,” which is recorded each time it is used to activate the security system.

Members and renters (and only members/renters) may order a maximum of four Cards/Fobs at \$15.00 each. In the event a Card/Fob is lost, replacements are available in the Club Office at \$20.00 each.
