Waiver of Liability

RULES & REGULATIONS - LAUNCH/HAUL RESTRICTIONS

The Club reserves the right to refuse to launch or haul a boat in excess of 35 Tons and/or 50 feet LOA. The Club reserves this same right if, due to the design and/or configuration of a boat's bottom and/or keel, the Club believes the boat may be subject to damage during the launch/haul process.

The Club may, however, in its sole discretion, agree to launch or haul a boat under such circumstances if the owner executes a Waiver of Liability absolving the Club of all responsibility for any damages that may occur to the boat during the launch or haul process.

I acknowledge that my boat does not meet the Newburyport Yacht Club's launch/haul criteria as specified in the Club's Rules & Regulations.

Consequently, I wish to grant the Club a waiver of any liability whatsoever for any and all damages that may occur to my boat during the launch/haul process and, accordingly, hereby authorize the Club to launch/haul my boat.
